WELCOME MESSAGE

Jeffrey Smith
Managing Director

Dear Students and Families,

Welcome to Copperstone Education, your gateway to world-class learning designed to empower students across the Middle East and Africa. We're dedicated to providing exceptional, accredited academic programs and services, tailored to the unique needs of international schools, remote learners, and homeschool families.

At Copperstone, we believe in the transformative power of innovative technology, creative pedagogy, and expert educators. Our extensive, industry-leading course catalog, encompassing after-school programs, summer enrichment, and individual courses, ensures every student discovers their unique path to academic excellence. Beyond core academics, we offer a premier SAT Prep program and personalized career and college counseling to guide students towards their future aspirations.

Our commitment extends to holistic student development. We provide impactful social-emotional well-being workshops, cultivate leadership skills through student events and volunteer programs, and foster a supportive community where students thrive. Join us at Copperstone Education, where we are passionately invested in your academic and career aspirations, and eager to partner with you on this transformative journey.

Warm Regards,

A handwritten signature in black ink that reads "Jeffrey Smith". The signature is fluid and cursive, written in a professional style.

WELCOME MESSAGE

Eli Ghazel
Chief Academic Officer

Dear Students, Families, and School Partners,,

Welcome to Copperstone Education! As the Chief Academic Officer, I am delighted to introduce you to our rich and wholesome online school experience. At Copperstone, we are committed to providing an educational journey that is both engaging and rewarding, tailored to meet the diverse needs of our students.

You will find that our extensive course catalog is designed to offer a wide array of options, allowing students to explore their interests and passions. This variety not only enhances the learning experience but also leads to higher motivation and better academic performance. By empowering students to choose courses that resonate with them, we foster a learning experience where they can thrive and excel.

Our partnership with EdOptions Academy ensures that Copperstone Education is fully accredited, providing credits and a US diploma that are recognized and accepted by schools, colleges, and universities across the world. This accreditation guarantees that our students receive a quality education that opens doors to future opportunities and success.

Thank you for choosing Copperstone Education. We look forward to partnering with you on and we are committed to helping you achieve your academic and personal goals.

Warm Regards,

Eli Ghazel

About Copperstone

Copperstone Education is a vibrant and diverse community of passionate educators and industry experts. We empower students, families, and international schools through personalized college and career guidance, mentorship and leadership development, and rigorous academic support.

We foster critical thinking, the development of unwavering ethical values, and the practical application of knowledge, preparing our students for impactful success in a globalized world.

Our Mission

Copperstone Education, powered by a network of dedicated educators and industry leaders, provides young adults with the practical skills, adaptable knowledge, and strong ethical foundation to pursue fulfilling careers and contribute meaningfully to their communities in the digital age.

Our Vision

Copperstone Education envisions a future where high-quality, culturally relevant education is accessible to all, leading to measurable increases in career readiness, economic mobility, and community impact.

Parent and Guardian Expectations Guide

EdOptions
ACADEMY

Virtual learning with EdOptions Academy presents a different yet potentially enriching educational experience for both your child and yourself. Recognizing and fulfilling your role is not merely helpful, but fundamental to ensuring your child thrives and achieves their full potential in their online courses.

As an additional layer of support, Copperstone Education offers readily available assistance via phone call or text message during our support hours, which are Monday-Thursday from 8AM-8PM and Friday and Saturday from 8AM-12PM.

As a parent/guardian, this is what you can do to support your child

- Upon registration in EdOptions Academy, all students are emailed the Student Policy Guide, which details what students must do to successfully complete courses in EdOptions Academy, and it includes the Student Code of Conduct. Make sure that your child has read and understands this information. If you or your child has any questions, contact your Copperstone Education representative.
- At the beginning of each course, the teacher will email you information specific to that course. Make sure your child knows the start and end dates of his or her course.
- **Fall and Spring Courses:** may vary in length but courses are typically offered by semester and the course length is 18 weeks. Students should expect to spend an average of 50 minutes per day on each class, 5 days per week.
- **Summer Courses:** Copperstone Education runs 8-week condensed summer courses for students in need of credit recovery and students seeking to get a head start on the upcoming school year. Students should expect to spend an average of 4 hours per day, 5 days per week.
- **Preparing the Home:** Our most successful students maintain a consistent study schedule and a dedicated study space in the home. It is also helpful when parents regularly engage him or her in conversation about what he or she is learning and any challenges encountered in their online course.

Parent and Guardian Expectations Guide

Encourage your child to connect with their teacher:

- Just as in traditional classrooms, the relationship between each student and his or her teacher is one of the keys to student success.
- Teachers can be contacted via phone, email, videoconference, and the collaboration tool built into the online learning platform.
- Teachers are available at various times during the day and evening; there is not a set schedule.
- Teachers are required to provide feedback on all student assignments within 24 hours of submission.

Other Important Policies to Note:

- **Dropping Courses:** Each student enrollment has a 14-day grace period. This means that students may drop any course and replace it with another course within 14-days of enrollment. To drop a course, please contact your Copperstone Education representative.
- **Course Extensions:** Copperstone Education allows for EdOptions Academy course extensions in cases of illness or travel that limited access to course work. There is typically an additional cost of AED 500 if the course exceeds 18 weeks. Individual courses can be extended for up to one month.
- **Course Materials:**
 - **World Languages** courses require recording capability, and headphones.
 - **No textbooks are required**—all materials needed are online.
- **Transcripts:**
 - **Unofficial Transcript:** Student transcripts are available to students and parents via the EdOptions Academy Student Information System (SIS).
 - **Official Transcript:** Upon completion of the course, you may request your child’s official transcript with the EdOptions Academy seal at no cost by contacting your Copperstone Education representative.
