WELCOME MESSAGE

Jeffrey Smith
Managing Director

Dear Students, Families, and School Partners,

At Copperstone Education, we believe in the transformative power of innovative technology, thoughtful pedagogy, and exceptional educators. Our mission is not only to support students in achieving academic success, but also to empower education professionals and schools with the tools, strategies, and pathways needed to thrive.

We offer a comprehensive range of programs, from early college pathways and enrichment opportunities to personalized academic support, designed to help each student reach their full potential with confidence. At the same time, we work closely with educators and institutions, providing professional development, pathways to higher education for education professionals, and proven resources that support meaningful and lasting school improvement.

What sets Copperstone apart is our commitment to partnership. We take pride in building strong, collaborative relationships with students, families, educators, and school leaders, ensuring that every initiative we deliver is both impactful and aligned with your goals.

Thank you for taking the time to learn more about Copperstone Education.

We look forward to working together to create opportunities for growth, achievement, and long-term success.

Warm Regards,

Jeffrey Smith

WELCOME MESSAGE

Eli Ghazel

VP of Curriculum and Learning

Welcome to Copperstone Education!

As Vice President of Curriculum and Learning, I am delighted to introduce you to Copperstone Education's rich online learning experience, complemented by exceptional UAE-based enrichment opportunities. At Copperstone, we are committed to delivering an educational journey that is both engaging and rewarding, thoughtfully designed to meet the diverse needs of our students and education professionals.

Our extensive course catalog offers a wide range of academic pathways, enabling students to explore their interests while building a strong foundation for future success. From early college credit opportunities to enrichment programs and personalized academic support, each offering is designed to foster curiosity, confidence, and high achievement.

A key pillar of our success is our proven outcomes. Our SAT preparation program, for example, delivers an average score increase of 150 points, with many students achieving improvements of up to 200 points. This reflects our commitment to high-quality instruction, data-driven teaching, and individualized support.

Through our partnership with EdOptions Academy, Copperstone Education provides fully accredited programs that lead to a U.S. high school diploma. Our courses and credits are widely recognized and accepted by schools, colleges, and universities around the world, ensuring that our students graduate with qualifications that open doors to global opportunities.

Thank you for choosing Copperstone Education. We look forward to partnering with you and are committed to supporting you in achieving your academic and personal goals.

Warm Regards,

Eli Ghazel

UNIVERSITY ACCEPTANCE

In partnership with EdOptions Academy, Copperstone Education high school students receive a high school diploma that is recognized and accepted by colleges and universities both nationally and internationally.

The Copperstone Senior Leadership team and academic advisory committee ensures that our curriculum and standards meet rigorous educational requirements, facilitating a smooth transition for graduates seeking higher education.

See a partial [list](#) of colleges and universities where our graduates have been accepted.

Copperstone Cornerstones

Copperstone Education has been an incredible experience for our family. Because we travel frequently, the self-paced lessons allowed my son to stay on track no matter where we were in the world. The teachers were always supportive, responsive, and truly invested in helping him succeed. Thanks to Copperstone, he has now earned his U.S. high school diploma, and we couldn't be happier with the support and flexibility they provided.

Courses for Credit

Overview

Copperstone Courses for Credit, powered by EdOptions Academy, offer fully accredited, NCAA-approved courses that meet the highest global standards of academic rigor. Designed for flexibility, students can recover credits, stay on track, or get ahead through additional coursework.

At Copperstone, we combine rigorous academics with dedicated support, ensuring students have the tools, guidance, and resources needed to succeed.

Courses may be recognized by schools as hour credits and added to a student's transcript, or Copperstone can issue an official transcript for university admissions, ensuring global recognition of academic achievement.

How Courses for Credit Works

Who Uses Courses for Credit?

High school students can recover missed credits or take additional courses online to stay on track or get ahead.

Course Format and Delivery

Courses are delivered online with no requirement to attend live classes. Teacher support is available daily to assist students as needed.

Course Duration

The program is completely self-pace, Students are given 18 weeks to complete one semester and 36 weeks to complete a full year, Student may finish early

JUSTIN McCAULEY
WHOLE SCHOOL PRINCIPAL

“Our partnership with Copperstone has significantly expanded the academic opportunities available to our high school students, allowing them to access a far broader range of courses than a traditional school setting typically provides. Many of our students have strengthened their university applications by taking additional AP courses, as well as advanced math and science offerings.

Copperstone has been an exceptional partner — responsive, flexible, and deeply committed to student success. As a result, both our students and families have seen meaningful benefits from this collaboration.”

— Justin McCauley, Principal
North American International School
Dubai, United Arab Emirates

MICHAEL NORTON
HEAD OF SECONDARY

We have partnered with Copperstone over the past three years to support students transitioning into our school who are missing credits required for graduation. Copperstone consistently provides excellent customer care to our families, and students receive the support and guidance they need to succeed. This partnership has been instrumental in ensuring that students stay on track to graduate on time alongside their peers.

— Michael Norton, Head of Secondary
Collegiate International School
Dubai, United Arab Emirates

HEATH BAILEY
INTERNATIONAL SCHOOL LEADER

Rather than lowering academic standards through grade inflation, our partnership with Copperstone allows students to genuinely earn the credits they need. Their Courses for Credit program ensures students master the required content with the right level of rigor, while receiving the support and flexibility necessary to succeed. It’s a far more meaningful and credible approach that upholds academic integrity while giving students a true second opportunity.

— Heath Bailey, School Leader
Abu Dhabi, United Arab Emirates

AP Courses

Overview

Copperstone AP Courses, powered by EdOptions Academy, provide students with access to rigorous, college-level coursework aligned with Advanced Placement standards. All courses are approved by the College Board and taught by College Board-certified teachers, ensuring the highest level of academic quality and integrity. Designed for motivated learners, these courses enable students to strengthen their academic profile, deepen subject mastery, and enhance university admissions competitiveness.

At Copperstone, we pair academic rigor with personalized support, ensuring students have the guidance, structure, and resources needed to excel in challenging AP subjects and prepare confidently for AP examinations.

AP courses may be recognized by schools and added to a student’s transcript, or Copperstone can issue an official transcript for university applications, supporting global recognition of academic achievement.

UNIVERSITY

SAT PREP

Overview

Copperstone SAT Prep is a comprehensive 64-hour program designed to deliver measurable score improvement through a balanced combination of expert instruction and targeted practice. The program includes 32 hours of face-to-face sessions led by elite SAT instructors, focused on core concepts, proven strategies, and real test application.

Complementing live instruction, students complete an additional 32 hours of personalized, data-driven practice through an advanced online platform. This includes adaptive question banks, video explanations, performance tracking, and customized study plans that target each student’s specific strengths and areas for growth.

SAT PREPARATION

Course Duration

64 hours delivered over an 8-week period

Schedule

- 2 hours per session, twice per week (Weekday and weekend options).
- Courses typically start 10 weeks prior to SAT Test Dates

Instruction Format

- 1 hour dedicated to Reading & Writing
- 1 hour dedicated to Math
- Led by elite SAT instructors

Practice & Homework

Students are required to complete 1–2 hours of targeted practice after each session, using a personalized, data-driven platform with video explanations, adaptive questions, and progress tracking.

Practice Exams

3 full-length SAT practice tests with detailed performance analysis

Learning Experience

- Live, interactive classes
- All sessions recorded and shared for review
- Structured curriculum with proven score improvement strategies.

ACT PREP

Overview

Copperstone ACT Prep is a comprehensive 64-hour program designed to deliver measurable score improvement through a balanced combination of expert instruction and targeted practice. The program includes 32 hours of face-to-face sessions led by elite ACT instructors, focused on core concepts, time-management strategies, and real test application across English, Math, Reading, and Science sections.

Complementing live instruction, students complete an additional 32 hours of personalized, data-driven practice through an advanced online platform. This includes adaptive question banks, detailed video explanations, performance tracking, and customized study plans tailored to each student's strengths and areas for improvement

ACT PREPARATION

Course Duration

64 hours delivered over an 8-week period

Schedule

- 2 hours per session, twice per week (Weekday and weekend options).
- Courses typically start 10 weeks prior to SAT Test Dates

Instruction Format
