Schedule of Fees Policies

Tuition and Fees

All tuition and service fees are listed in either United States Dollars (USD) or United Arab Emirates Dirhams (AED), as indicated. Copperstone Education reserves the right to modify its pricing at any time; however, students who have completed enrollment and paid the applicable fees will retain the pricing in effect at the time of registration.

Payment Terms

Payment is due in full prior to the commencement of services unless an approved payment plan has been established. Copperstone Education may offer installment payment options through approved financing partners or through a written payment agreement.

Refund Policy

Refunds are only granted prior to the first class. Because digital platform and course licenses are issued upon enrollment, tuition is non-refundable once course access has been activated.

Promotional Pricing

Scholarships, promotional discounts, referral incentives, and limited-time offers cannot be combined unless expressly authorized by Copperstone Education.

Price Protection

Students who have completed enrollment and satisfied all payment requirements will retain their agreed tuition rate for the duration of their enrolled program, provided they remain continuously enrolled.
