# FUTURE PATHWAYS

Discover Your Purpose  
Design Your Future

Every student deserves more than an education  
Every student deserves a direction

Part of The Copperstone Way Series

# YOUR FUTURE DOESN'T HAPPEN BY CHANCE IT HAPPENS BY DESIGN

## Kevin Dupont Director of Future Pathways

A trusted advisor helping students discover purpose, make informed decisions, and confidently prepare for university and career success.

“Choosing a university is important. Choosing a direction for your life is even more important. My goal is to help every student make both decisions with confidence.”

## FUTURE PATHWAYS SERVICES

### Career Exploration

Helping students discover careers that align with their interests, strengths, values, and personality.

### University Planning

Building personalized university lists based on academic goals, financial considerations, and long-term aspirations.

### Career Assessments

Using research-based assessments to identify strengths, interests, and potential career pathways.

### Application Strategy

Guidance with essays, timelines, admissions requirements, interviews, and scholarship opportunities.

### Subject Selection

Helping students choose courses—including AP and Career Electives—that support future university and career goals.

### Future Readiness

Preparing students for careers shaped by AI, emerging technologies, and global workforce trends.

## The Need for Guidance Has Never Been Greater

**65%**

of today's students will work in occupations that are changing rapidly or being redefined by new technologies.

— World Economic Forum

**Thousands**

of universities around the world offer thousands of degree programs, making informed guidance more valuable than ever.

— UNESCO

**One Decision**

Choosing the right high school courses can significantly influence university options and scholarship opportunities.

— NACAC

# WHY FUTURE PATHWAYS?

## CAREERS OF TOMORROW

Artificial Intelligence

Cybersecurity

Renewable Energy

Healthcare

Entrepreneurship

Robotics

Space & Aviation

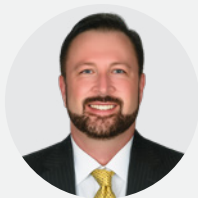

Environmental Science

Global Business

Tomorrow's opportunities will be different from today's. Your planning should reflect that reality.

## GUIDING FUTURES: CHANGING LIVES

"Copperstone's Future Pathways program is an invaluable extension of our counseling department. Their expertise and resources truly elevate the support we can offer our students."

**Justin McCauley**

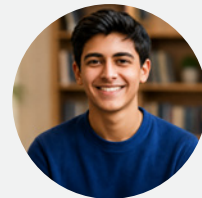

Principal  
International School Leader

"Kevin helped our daughter discover her strengths, explore her options, and confidently apply to the right universities. His guidance made all the difference."

**Kimberly Coleman**

Parent

"Future Pathways helped me understand what I'm good at and what I enjoy. Now, I have a clear plan for university and a career I'm excited about."

**Yusuf A.**

Grade 12 Student

Apply with confidence and transition successfully to university.

“

The world is changing faster than ever. Students deserve guidance built for tomorrow—not yesterday.

”

## YOUR FUTURE: OUR PURPOSE

At Copperstone Education, we believe every student deserves more than a path—they deserve a plan.

Through trusted guidance, global insight, and personalized support, we help students discover who they are, explore who they can become, and confidently pursue a future filled with purpose.

The future is not something we enter. It's something we create—together.
